Investment Income and Activity

At the start of the fiscal and calendar year 2015 the NCLEAC's operating account was maintained in a checking account at the Community National Bank (CNB). Interest Income was earned on this account. A Money Market account was also maintained at CNB which earned a higher interest rate than the checking account. Deposits up to \$250,000 at CNB were guaranteed by the Federal Deposit Insurance Corporation (FDIC) and deposits above \$250,000 were protected and collateralized via custodian agreements and pledges of eligible securities. All pledged eligible securities per these agreements were held by Wilmington Trust (Manufacturers and Traders Trust Company /M&T Bank), as custodian (the "Custodian"). In June CNB was acquired by Bridgehampton National Bank (BNB), which is also headquartered on Long Island. The terms, rates, account numbers, and bank routing number, all remained the same. The custodian agreements and custodian remained the same.

For the full year 2015, the operating and money market accounts at BNB/CNB earned \$29.36 and \$1,794.70 interest income respectively. The account balances as of December 31, 2015 were \$40,182 and \$774,191.
